

ITT Eco Vac 40

The Eco Vac 40 is the perfect autonomous vacuum cleaner for the consistent cleaning of supermarkets, showrooms, shopping centres, and public facilities.

ADVANCED SAFETY & NAVIGATION SYSTEM

Equipped with class-leading safety sensors and advanced AI navigation system to achieve highest cleaning productivity.

CLEANS IN A SINGLE PASS

With high brush agitation, airflow and filtration, even stubborn dust and debris is collected in a single pass.

Specification	Eco Vac 40
Dimensions (L x W x H)	65 x 57 x 81 cm
Cleaning Width	57 cm
Cleaning Efficiency	600 m ² /hr
Battery	LiFePO ₄
Operational Time	Up to 3 hrs
Voltage	24 V
Power	1,100 W
Cylindrical Brush Speed	up to 1,000 rpm
Main Brush Size	40 x 7 cm
Side Brush	2 x 10 cm
Vacuum Power	560 W
Vacuum Pressure	18.18 kPa
Air Flow Volume	73.45ft ³ / min
Capacity	12 Ltr
Max Gradient	8o
Speed	0-2 km/hr
Noise Level	67 - 75 dBA
HEPA Filtration Class	H
